REPORT OF THE ACTIVITY

(Use the same Format for Co curricular, Extension, Community Service and other Activity)

Title of Activity : Celebration of 'World Tiger Day' - 2022

Date of Activity : 30-07-2022

Details of Resource Person (If any) Dr. M. B. Kadam

SUMMARY OF ACTIVITY :

On the occasion of 'World Tiger Day' department of zoology organised a invited talk in which Dr. Jayade guided the students about the importance of tigers in the forest ecosystem. He also focused on the current scenario of tiger conservation drive from government and appealed the students to spread awareness about the conservation of tigers and forest ecosystem. Dr. chide also explained the role of tigers in natural ecosystem.

Activity Report

Name of Activity : E –Waste Collection Drive"

Date : 12-18 August 2022

An E-Waste collection drive was organized by Department of physics from **12 August 2022 To 18 August 2022** in the G S Gawande college Campus to inform the students and community about the impact of the E-waste and its effect on humans and the environment. Students and the staff contributed to the drive. Students contributed a variety of e-waste such as electronics parts of Television, setoff Box, radio, printers, mobiles, chargers, pencil cell, batteries etc.

This initiative to recycle/ reused E-waste like electric component for construction/ repairing of power supply and Practical circuit in physics Laboratory. The drive concluded with the E-waste Awareness Programme which was organized for the Student

Activity Report

Name of Activity : SKY WATCHING PROGRAM "Jupiter is closed to earth in 59 years"
Date : 30 September 2022
Name of Guest : Dr S R Vadrabade Dept. Of Physics GSG College, Umarkhed

There is always curiosity about the celestial events occurring from time to time. The department of physics is looking for such opportunities and facilitates to observe such events.

Jupiter is the fifth planet from our Sun. The gas giant is known for its Great Red Spot (actually a storm) and its massive size—twice as big as all the other Solar System planets combined. On September 26, 2022, the planet—moving along its orbit—arrived at its closest position to Earth in 59 years. On 30 September 2022 the Jupiter was close to earth and the weather was also favorable to deploy telescope to observe Jupiter and Moon.

The 110mm reflecting type telescope was deployed to observe Jupiter and its moon. The students of college and local schools and parents attended the event and interact with faculty of physics department.

Dr S R Vadrabade answer all questions raised by students during the session

Activity Report

Name of Activity : "Rock- Crystals and fossile Exhibition"
Date : 10th December 2022

Natural objects, such as rocks and minerals, contribute to the beauty nature. Rocks and minerals are important for learning about earth materials, structure, and systems. Department of Physics Organized Exhibition of Rocks and Mineral on 10/12/2022. More than 20 items were displayed. Students, school teachers visited the exhibition. The students of B.Sc.-III and M.Sc. Served as an instructor, explaining the process of formation of rocks, crystals, Gems in nature. The Feature of the exhibition was the Tektites.

Studying these natural objects incorporates an understanding of earth science, chemistry, physics, and math. The learner can walk away with an understanding of crystal geometry, the ability to visualize 3-D objects, or knowing rates of crystallization.

The QR code is generated for each mineral where the visitor can find detailed information about the crystals, minerals, and rocks was expressed.

Dr S R Vadrabade was the coordinator of exhibition.

Activity Report

Name of Activity : Do your Self Activity

Date : 6th-10th February 2023

Various inventions are made by researchers to make our daily life easier on the back of the world. Students should study this and create devices that will be beneficial to the public and farmers and inculcate interest in science and research among school students in the modern era. Keeping this view under the guidance of Dr S R Vadrabade, Department of Physics. Gopikabai Sitaram Gawande College, Umarkhed organized **Do your self-activity** It was conducted from 6 February 2023 to 10 February 2023 Secondary schools of Umarkhed area participated in this activity. B.Sc students demonstrated various experiments in science and gave information about all the experiments to the school students and answered their questions. This will help in strengthening the knowledge of the school student about science. In this activity, a total of 136 students visited the various laboratory of college and recorded their spontaneous response.

Dr. P. D. Shirbhate Physics Department coordinated the activity. For the success of this activity Dr, D. L. Arakh and B.Sc. students work hard for this activity.

Activity Report

Name of the activity: Divyang Camp

Date: 26/ 11/2021

Summary:

Yavatmal Zilha Akhil Kunabi Samaj, the management of institute as a part of community service has organized the health checkup camp for physically disabled persons of Umarkhed tehsil at Gopikabai Sitaram Gawande Mahavidyalaya campus of the institute. The faculty, staff, students unanimously decided to render services voluntarily during this camp. The services offered by all stakeholder of the institute were appreciated by the community. The services includes: Registration, Assistance, Room services, and uploading data on government portal of the disabled persons in the area.

At the next step, the kit distribution camp was organized to distribute the disability aids to the beneficiary on 26 Nov. 2021 on the occasion of death anniversary of past president of the institute late Adv. Anantraoji Deosarkar Saheb. The eligible physically challenged persons were informed about the kit available for them wherein again the faculty and the students rendered their services voluntarily as a social responsibility.

Around 1100 beneficiary from Umarkhed tehsil received the kits including tricycle with battery, Tricycle, Crutches, Jaipur foot, hearing aids, sticks to aid blind people.

The programme was regarded as an example of social responsibility.

Title of Activity:- Corona Awareness

Date of Activity:- May to Aug 2020

Details of Resource Person (If Any) :-Volunteers of NSS to aware of community about covid 19

Summary of Activity:- Corona virus suddenly attacked people all over the world and shook the world. There was no modern medical service to prevent this virus and the society was left with no option but to take preventive measures. The Indian government also announced a lockdown and instructed the public not to go out in its house. In such a spirit of social responsibility, the volunteers of the National Service Scheme of Gopikabai Sitaram Gawande College undertook several initiatives at their respective levels to curb covid-19 in their respective villages. Awareness of villagers about corona virus, sheltering migrants, arranging their segregation, arranging meals, marking cheap grain vegetable shops for social distance, distribution of sanitizers and masks, arranging water for account holders in front of banks, health care for the elderly, A small attempt was made to carry out social responsibility by assisting the service personnel.

GOPIKABAI SITARAM GAWANDE MAHAVIDYALAYA UMARKHED – 445206

Report of the Activity

(Use the same format for Co curricular, Extension, Community Service and other Activity)

Title of Activity:- Corona Test Camp

Date of Activity:- 2 Sep2020

Details of Resource Person (If Any):- Team in Uttarwar Hospital Umarkhed

Summary of Activity:- In India and Maharashtra, along with nearly 200 countries around the world, the deadly Corona virus is wreaking havoc on the human race, while the quality of health care in developed countries poses a challenge. In such a situation, it would not have been possible for the administration to raise awareness about the virus among the common man, to provide reassurance and preventive measures to them without the help of Revenue, Health, Security, Sanitation department, Educational and Social Institutions. A corona test camp was organized to test the corona virus of the college staff so that the virus could not spread rapidly. In this camp, along with the college staff, the citizens of Umarkhed also tested their corona virus and got diagnosed with corona virus.

Report of the Activity

(Use the same format for Co-curricular, Extension, Community Service and other Activity)

Title of Activity:- Summary Snehanubandh Abhiyan

Date of Activity:- 21 Sep2020

Details of Resource Person (If Any):- Community Service

Summary of Activity:- After the corona virus entered India, it spread very fast and spread to the entire region. At such times, it was natural for the people to feel fear. Patients with mental retardation and corona symptoms as well as corona positive will definitely lose their mood without any fuss. I have heard and read on television and in the newspapers that in many places, the behavior of the community as well as the family, along with the mentally and financially affected corona patients, is not conducive to their counseling. Snehanubandh Abhiyan was implemented by the team of National Service Scheme of Gopikabai Sitaram Gawande College to increase their morale through communication and counseling as well as to attract them to a positive way of life. He went to the adopted villages of Marsul, Belkhed and Amdari and informed about the precautionary measures to be taken to prevent corona. Many citizens were present at this time.

Title of Activity:- Blood Donation Camp

Date of Activity:- 28 Dec 2020

Details of Resource Person (If Any):- Nanded Blood Bank Nanded and Dr. Arif Abrar

Summary of Activity:- Volunteers from the National Service Scheme to eradicate the corona virus conducted a blood donation camp on 28 December 2020 at Gopikabai Sitaram Gawande College jointly organized by Rotary Club and Inner Wheel Club Umarkhed. First of all, the blood donation camp was inaugurated by offering a wreath to the statue of Rashtrasant Gadge Baba by the President of YZAKS Sanstha, Hon. Ramsaheb Deosarkar. The program was introductory by Dr. V.S. Ingle, Program Officer, and National Service Scheme. The chief guests on this occasion were Ramsaheb Deosarkar and Dr. Y.M. Raut also expressed his concern. Members of the Rotary Club and Inner Wheel Club also helped the volunteers of the National Service Scheme to carry out the blood donation camp in a good manner. Blood donation will save the lives of critically ill patients and its credit may not be invisible but the blood donation goes to the concerned blood donors.

Title of Activity: - Legal Advisory Camp

Date of Activity: - Saturday 27/09/2018

Details of Resource Person (If Any):- Judges from Umarchhed Court

Executive Summary:

The Legal Advisory Camp was a highly successful event that took place over [number of days] at [camp location]. The camp aimed to provide participants with a comprehensive understanding of various legal concepts and practical aspects of the legal profession. Through a range of engaging activities, the camp successfully achieved its goals of imparting knowledge, developing critical thinking skills, and fostering teamwork among the participants.

Activities Undertaken:

Legal Workshops: Professional lawyers and legal experts conducted interactive workshops on topics including constitutional law, criminal law, civil law, contract law, and legal research. These workshops covered both theoretical and practical aspects, allowing participants to actively engage in discussions and gain a deeper insight into the subject matter.

Case Studies and Mock Trials: Participants were divided into teams and given case studies to analyze. They had to identify legal issues, research applicable laws, and present their findings to a mock court. This activity helped them develop analytical thinking, research skills, and oral advocacy abilities.

Legal Research Workshop:

A dedicated session was conducted on legal research methodologies, teaching participants how to find relevant case laws, statutes, and legal articles. They were introduced to various legal research platforms and databases, enabling them to enhance their research abilities.

Team Building Activities: To foster teamwork and collaboration, various team-building exercises were conducted throughout the camp. These included problem-solving challenges, group discussions, and outdoor activities that required participants to work together effectively.

उमरखेड जि.यवतमाळ

Outcomes:

Enhanced Knowledge: Participants gained a comprehensive understanding of different legal concepts and the practical application of legal principles. They showed significant improvement in their ability to analyze legal issues and apply relevant laws.

Conclusion:

The Legal Advisory Camp successfully achieved its goals of imparting legal knowledge, developing skills, and fostering teamwork among participants. The camp provided a valuable opportunity for aspiring legal professionals to gain practical insights into the legal field. The positive feedback and remarkable outcomes validate the camp's effectiveness in achieving its objectives
