Emerging Innovative Trends in Higher Education

(EITHE-2019)

25 Sep 2019

In view of the current state of education in India, apart from conveying progressive thoughts and modern trends to the students, the message of education has been conveyed to the general society of Umarkhed taluka as well as to the rural, gullible communities of this area through an interdisciplinary conference on "Emerging and Innovative Trends in Higher Education". For that, the main purpose of organizing the conference was to get the guidance of a renowned and expert person in the field of education.

The conference has covered and call the research papers on following themes:

1. Role of higher education in social unity and national building.
2. Role of education in good governance.
3. Spreading environment awareness through higher education.
4. Role of literature in disseminating human values.
5. Emerging trends in language and literature.
6. Innovative trends in teaching learning and evolution in languages.
7. External sectors of India.
8. Farmers' suicide in India: Reason and Responses.
9. Agriculture role on Indian economy.
10. The GDP and its importance.
11. Educational policy of Central and state government.
12. Status and future of education in Indian politics election and administration.
13. Role of education in strengthening democracy.
14. Role of education in implementing human rights.
15. Today's challenges and facts about history writing.
16. Emerging Trends in History: it can change the direction of history writing of history itself

With
Vidarbha Arthashastra Parishad

Invitation

We request the honour of your presence on the auspicious National Conference on "Emerging Innovative Trends in Higher Education: An Interdisciplinary Approach", organized by Department of Humanities, G.S. Gawande College, Umarkhed on 25 Sept. 2019

About the Institution

Gopikabai Sitaram Gawande Mahavidyalaya, Umarkhed, established in 1966, sprawling over 32 acres of campus, is one of the premier educational institute in the area. It is an ideal learning center adopted by Late Dr. Atmaramji Gawande. The college offers education in three faculties viz. Science, Arts, and Commerce and has been assessed and reaccredited by National Assessment and Accreditation Council, Bangalore with B⁺ Grade having 2.79 (CGPA).

The college is flourishing under the able guidance of Dr. Sushilata Gawande, Dr. Atul Gawande, Adv. Sumeeta Gawande and raise under the able leadership of Honorable Adv. Anantaoji Deosarkar (Ex-MLA), Former President, YZAKS, Honorable Ram Deosarkar, President, YZAKS and Honorable Dr. Y. M. Raut, Secretary, YZAKS.

About Umarkhed

Umarkhed famously known as a town of Temples is situated in Yavatmal District of Maharashtra state. It is established on the bank of river Painganga in the vicinity of Pusad range forest. It is close to the famous water fall "Sahastrakund". Painganga Sanctuary and Isapur Bird Sanctuary.
ROUTE : Umarkhed is well connected by roads. It is 70km away from Nanded, and 270 km from Nagpur, on Tuljapur Nagpur highway. It is 200 Km away from Akola. The nearest domestic airport and railway station is Nanded. The nearest international airport is Nagpur. The weather during month of September remains pleasant and day temperature is in the range of 25 to 30° C.

About the Conference

The objective of the conference is to bring together experts, academicians, research scholars, teachers and students all over the country to exchange their thoughts,

ideas, knowledge and research on all the aspects related to 'Emerging and Innovative Trends in Higher Education'. India's higher education system is the third largest in the world. India has remarkably transformed its higher education landscape. It has created widespread access to low-cost high-quality University education for the students. Still we are lacking in implementing professional skills and knowledge based education which will provide more job opportunities and to seek and cultivate new knowledge and research.

The Conference envisages providing platform for experts and young researchers, academicians from across the discipline to come together, deliberates upon and express their ideas and views regarding the contributions for nation building. The aim of this national conference is to promote and involve the researchers, socialists, educationists, linguistics, historian, economists practitioners teachers and students to engage and share their experiences, new ideas and research results about all aspects of higher education, social sciences, languages and literature and environmental science etc. The conference has interdisciplinary approach that seeks to explore and exchange knowledge from various disciplines.

Sub Themes

1. Role of higher education in social unity and nation building.
2. Role of education in good governance.
3. Spreading Environment awareness through higher education.
4. Role of Literature in disseminating Human values.
