Programme/Activity Summary in brief:

The Department of Physics organized an E-Waste Collection Drive from 15th to 22nd September 2025. The event was inaugurated by the Honourable Principal, Dr. M. B. Kadam. A designated collection point was set up at the department, and students and faculty were actively encouraged to participate. The drive received an enthusiastic response from college students. A significant amount of e-waste was collected, including items such as old mobile phones and chargers, LED bulbs, motherboards, set-top boxes, old batteries, power banks, and other small electronic gadgets. All students of the Physics Department helped spread awareness about the e-waste drive to the community.

The poster is for an E-waste collection drive. It features a green recycling bin on the left and a green recycling symbol on the right. The text is in Marathi and English. The top part of the poster is in Marathi, mentioning the organizing institution and the date. The middle part has the text 'SAVE ENVIRONMENT' and 'E - Waste संकलन'. The bottom part provides the dates and a brief description of the drive in Marathi, along with the name of the principal.
