Programme/Activity Summary in brief:

The college successfully organized a 3-day Garba workshop exclusively for women students from 23 Sept. to 25 Sept. 2025 as part of the cultural celebration leading up to Navratri. The event aimed to promote physical fitness, cultural appreciation, and student engagement through the traditional dance form of Garba.

With the initiative of the president of the institution Shri. Ram A. Deosarkar and the principal of the college the event was organised. Under the guidance of a professional Garba instructor and GSG faculty Dr. Vasundhara Shinde, participants were introduced to a variety of Garba steps and formations.

Each day concluded with a fun-filled group performance, fostering a sense of community and enthusiasm among the participants. The event witnessed active participation and overwhelming response from the students, highlighting the growing interest in traditional dance and cultural activities on campus.

The workshop not only served as a recreational and fitness activity but also motivated students to participate in the competition organised by Innerwheel Club of Umakhed in the city on 29 Sept wherein a team of 18 students was selected and received first prize in group performance category. The management, the Principal, the organising departments and women faculty strive hard to fetch this glorious achievement.
